INFORMATION BULLETIN # 2009-14-IN

December 2, 2009

TO: MHA Presidents, Administrators/Registrars, Coach Coordinators and All Team Officials

FROM: Mark Kenny, President

SUBJECT: Team Official Qualifications - Coach Hybrid and Development 1

For Carded Teams (BC Hockey Regulation 2.25):

“All BC Hockey/Hockey Canada Carded Coaches must be qualified at the Development 1 Stream to coach Minor and Female Hockey by December 1st of the current season. Coaches will have until March 31st of the current season to complete the requirements for Development Stream certification.

Your coaches and assistant coaches should be certified A-P-C on the HCR. If they have just taken the Dev 1 clinic this season (A-P), then they have until March 31st to complete and send in their post task to BC Hockey.

For Recreational Teams (BC Hockey Regulation 2.26):

“All BC Hockey MHAs and non-Hockey Canada Carded Female Teams are to ensure that all coaches are Coach Stream qualified by December 15th of the current season. Coaches will have until March 31st of the current season to complete the requirements for Coach Stream Certification.”

Your coaches and assistant coaches should be certified A-P-C on the HCR. If they have just taken the Coach Stream Hybrid clinic this season (A-P), then they have until March 31st to complete and send in their post task to BC Hockey.

If you have a coach / assistant coach who does not meet the above noted requirements and deadlines, they should be removed from the team and HCR roster.

For all teams (BC Hockey Regulation 2.28):

All BC Hockey team officials must be qualified in the Speak Out Program (Respect in Sport).

For all teams (Hockey Canada Regulation E 1(a):

All teams must have a qualified Hockey Canada Safety Person (HCSP) rostered on the HCR.

If you have any questions on the above material, please contact BC Hockey at certifications@bchockey.net
