INFORMATION BULLETIN

Issue # 2013-005-1

July 26, 2013

TO: VIAHA Membership
FROM: Jim Humphrey, President VIAHA
SUBJECT: VIAHA Website

As of August 1, 2013 the VIAHA website will be sporting a new look. With the assistance of Mike Desjardins of Cowichan Waves Web Design we have introduced a new colour scheme, new graphics and a greater functionality to our web based information distribution system.

Our website has been an integral part of VIAHA operations since our inception in 2007 providing District hockey news in a timely and easily accessible manner for our membership as well as league scheduling information and standings and has been a valuable minor hockey reference source for players, parents and volunteers throughout Vancouver Island and Powell River.

We would appreciate your feedback and any recommendations you may have on how VIAHA can further improve the site to serve the needs of the District's minor hockey players and their families.

We are also soliciting information and or photos that may be of District wide interest for inclusion in the website. Please forward the information to info@viaha.org.

Please give the bulletin the widest possible distribution to your hockey contacts.

Yours sincerely,

Jim Humphrey, President, VIAHA
