BULLETIN

Issue # 2022-008-1

March 15th, 2022

TO: VIAHA Membership
FROM: Jim Humphrey, VIAHA President
COPY: VIAHA Officer and Staff
SUBJECT: VIAHA Mask Update

VIAHA is withdrawing its previous requirement for players U13 and up and Team Staff to wear masks and will follow the current Provincial Health Order mandates.

Members are reminded that some facilities and MHAs may still have their own mask mandates in place and if those mandates are stricter than those of the District, then the facility/MHA requirement will apply. If you are travelling to an out of town game you may wish to contact the host team manager to verify any restrictions.

Please give this the widest distribution within your organization.

Yours sincerely,

Jim Humphrey, VIAHA President
