

DEVELOPMENTAL 1 – WORKBOOK INSTRUCTIONS

Coaches who have successfully attended the Developmental 1 clinic are currently deemed “Qualified” at the Developmental 1 level and therefore meet the minimum certification standards currently required to coach Pee Wee and above Carded Rep athletes.

Hockey Canada’s NCCP Developmental 1 Coach Workbook must be sent to BC Hockey Office in order to be deemed “Certified” at the Developmental 1 level. Failure to complete the post task will result in certification standards not being met, you will also be considered ineligible to move forward in the Developmental Stream to Developmental 2. **Please retain a copy of your workbook for future reference.**
